**THE MEDICAL CONGRESS.**  
The Great Gathering of Physicians  
Ready to Adjourn.  
AN INTERESTING SESSION ON FRIDAY.  
An Elaborate Essay by Dr. Gooding on  
"Insanity as a Defense for Crime."  
—A Lecture Given by  
Professor Whitney.

**THE DOCTORS CLOSING THEIR CONVENTION.**  
WASHINGTON, Sept. 10.—The International  
Medical congress assembled at ten o'clock  
yesterday morning and adjourned unanimously  
the report of the committee selecting Dr. Gooding  
as the place for holding the next con-  
gress, in 1920. Prof. Titcher was named as  
the next President. A resolution was  
adopted calling the attention of this  
medical congress to the necessity of  
medical education and urging it to  
use its influence to bring about  
necessary reforms; also a report from  
the military and naval sections that  
they were ready to make such reports as  
they might deem proper.

**Dr. Gooding's Address.**  
The English physicians who have made a special  
study of psychological diseases. He is  
consulting physician of several hospitals for  
the treatment of nervous and  
mental diseases. He has written quite  
extensively on insanity. His address  
yesterday embodied a discussion of different  
methods of treating the different forms of  
insanity, the comparative advantages and  
disadvantages in the home and hospital  
treatment for the various types, and was  
illustrated by many experiences in the spe-  
cial or professional life of more than thirty  
years. It was listened to throughout with  
rapt attention.

One paper that will be especially interest-  
ing to mothers was read by Dr. Albert  
R. Lewis, of Holston, N. J., on the subject  
of the nutrition of infants. Out of  
every 100 infants fed on mother's milk,  
he says, statistics show that about eight  
die at the end of the first year, out of 100  
fed on "infant foods" fifty-one, or more  
than one-half, die by the end of the first  
year.

Dr. W. W. Gooding, superintendent of St.  
Elizabeth's Hospital for the Insane, in a  
paper on "Insanity as a Defense of Crime,"  
read before the psychological section, said  
that insanity is the mental manifestation of  
bodily disease and not a question of knowl-  
edge of right and wrong. The position of  
the courts to-day on this question the  
doctor said was most fairly represented  
by the case of Judge Cox in the  
Guantanamo case, that the jury must decide  
whether the accused at the time of commit-  
ting the act knew the difference between right  
and wrong in respect of the act. The  
trouble was that the judges have made only  
a metaphysical study of insanity. They  
should spend a few weeks to hospital  
life, and they would find out that it is not  
then the guilty of the absurdity of ex-  
pecting an insane person to act reasonably  
in regard to his delusions. He predicted  
that the New Hampshire rulings as to insanity  
which Judge Cox rejected as judicial  
hurry, would one day prevail. These rulings  
were that all questions of insanity were  
facts for the jury to determine, and not  
rulings for the court.

The congress will assemble this morning  
for formal dissolution, and after the usual  
ceremonies of a last day the foreign dele-  
gates will be taken to Mount Vernon on two  
Government vessels. In the evening the  
foreigners will start by special train for  
Nagasaki, stopping a few hours at Win-  
chester Glen.

A reception was tendered to the congress  
yesterday afternoon by Secretary Whitney,  
at his country residence—Grass Lake. In  
the afternoon the Secretary of the  
honors were done by Dr. Gurnet, Sur-  
geon General of the Navy. After the recep-  
tion ceremonies a collation was served on  
the lawn. About 100 members of the con-  
gress participated in it.

**INDEMNITY LANDS.**  
Temporary Suspension of the Order Re-  
storing Wisconsin Lands—Over 20,000  
acres affected by the order. The Secretary  
of the Interior has suspended the restoration  
of the Indian land along the Bayfield branch  
of the Chicago, St. Paul, Minneapolis &  
Omaha railroad, pending settlement of  
the claims of the Indians. The Secretary  
has also suspended the restoration of the  
lands on the main stem of this road were  
extended in the notice issued some time ago  
regarding indemnity railroad lands.

Acting Land Commissioner, Brookings, has  
prepared a statement showing the esti-  
mated number of acres restored to the public  
domain under the August orders of the Sec-  
retary of the Interior, restoring Indian  
withholdings, at \$2,322,000, exclusive of  
\$1,313,000 acres within the limits of Indian  
reservations. This embraces orders in re-  
gard to which restoration orders have time  
far been issued.

**THE DE PAUV UNIVERSITY.**  
The Financial Prospects of This Indiana  
Institution of Learning Said to Be  
Flattering.  
CINCINNATI, Ind., Sept. 10.—The North-  
west Indiana conference, at its joint and  
ministerial session yesterday, re-  
ceived a report from Rev. J. W.  
Green on the financial prospects of  
the De Pauw University. Only \$4,500  
was needed, he said, to make up the \$15,000  
guaranteed by the conference for the en-  
dowment fund. A collection was then  
taken up and \$2,000 was the result. Each  
of the four Indiana colleges has pledged  
itself to raise \$17,000 when the university  
receives \$2,000 from the De Pauw estate.

**Remembering the Victims.**  
MILWAUKEE, Wis., Sept. 10.—The twenty-  
seventh anniversary of the Lady Elgin dis-  
aster occurred yesterday. Requiem high  
mass was said at St. John's Cathedral yester-  
day in accordance with the usual custom  
for the repose of the souls of those lost on  
that awful night. There were a large attend-  
ance of those who lost relatives to the colli-  
sion. The economies were similar to  
those of former years.

**Convicted of Her Husband's Murder.**  
BRIDGE TOWN, N.Y., Sept. 10.—Mrs. Sarah  
J. Overton, charged with the murder of her  
husband, was found guilty and sentenced to  
twenty-five years imprisonment. Mrs. Over-  
ton shot her husband and at the coroner's  
inquest testified that he had committed sui-  
cide. Her daughter gave the evidence that  
convicted the mother of the murder.

**Damages for the Chatsworth Accidents.**  
PEORIA, Ill., Sept. 10.—The Peoria

who was killed in the Chatsworth ac-  
cident, brought suit yesterday against the  
Peoria & Western Railroad Company for \$25,000.

**Lost in Minnesota.**  
DUNSMITH, Minn., Sept. 10.—Quite a heavy  
flood fell Thursday night in the low areas,  
and some crops will be wiped, but the major  
crops are all safe.

**A SURE STATEMENT BY A CARPENTER.**  
"For years I have had a chest trouble,  
amounting to nothing short of consump-  
tion. I saw others in like condition had  
been cured by the use of Dr. Pierce's  
Golden Medical Discovery, and resolved  
to test its merits in my own case. The  
results are so good as hardly to require  
a testimonial, or any longer mention of  
this great remedy. It does not claim it!  
It builds up the system, supports and  
strengthens where others fail. It has  
helped me, which is now on a sure  
footing, brings entirely on the com-  
pensation of this wonderful Restorative,  
having tried other remedies without a bit  
of relief."

CURRENT EVENTS.

**HER FATE IN DOUBT.**  
The Big Schooner David Dows  
Thought to Have Foundered.  
CAST ADrift IN A TERRIFIC STORM.

Nothing heard of the vessel or her crew  
of fifteen—How the Niagara was  
Wrecked—Fatal Disaster to  
Fishing Craft.

**FEARS FOR THE DOVS.**  
DULUTH, Minn., Sept. 10.—The captain  
of the schooner Spokane, which arrived at Two  
Harbors Thursday night, reports that he was  
obliged to cut loose from the big schooner  
David Dows on account of the violent storm  
driving Thursday and Wednesday, and that  
since then nothing has been heard of the  
vessel. It is feared that she has foundered  
with all on board. The boat was built in  
1881 and had a measurement of about  
2,000 gross tons. She rates A1 in the In-  
land Lloyd's and is valued at about \$50,000.  
She carried five masts and was one of the  
largest, if not the largest, schooner in the  
world. She was owned by David Carrington,  
of Toledo, and was partially rebuilt in  
1885.

At midnight all was yet uncertain about  
the fate of the large David Dows. She was  
bound up light for Two Harbors for a load  
of ore. She broke loose about midnight  
Wednesday in midlake about sixty miles  
west of Superior point. Captain O'Brien  
was in command and the crew consisted of  
eleven men, the full complement.

A brief message from Captain Murphy,  
of the steamer Tower, from Two Harbors last  
night, says she was in good condition. Cap-  
tain Murphy does not think she has found-  
ered. The Tower or the will probably go  
in search of her to-day if she does not put in  
an appearance. It is expected to find her  
on the north shore.

**MARQUETTE, Mich., Sept. 10.**—The schooner  
David Dows reported as lost in midlake by  
the Spokane, on the latter's arrival at  
Two Harbors, was afterward spoken by the  
steamer Fish Hawk. It is believed here that she  
is safe in shelter.

**CLEVELAND, O., Sept. 10.**—The family of

on her last trip the crew is believed to have  
been shipped from that port. It is probable  
that ten persons lost their lives, viz: Cap-  
tain Clement, two mates, the cook and six  
sailors. The Niagara was insured in the  
Hall pool for \$25,000.
